

# Getting to Ag Expo

## To avoid construction-related delays:

Farm Lane from Wilson Road to Mount Hope will be closed. In addition, the Michigan Department of Transportation is resurfacing US 127/I-496 and repairing the Dunckel Road/Jolly Road bridge over the highway.

## To ease your travel we recommend the following routes to Ag Expo:

**From the North:** Take US-127 south to the Trowbridge Road exit, turn right on Harrison Road and left on Mount Hope to the Ag Expo parking area.

**From the East:** From I-69, take US-127 south and exit on Trowbridge Road. Turn right onto Harrison Road and then left on Mount Hope. From I-96, exit at Okemos Road, turn right (north) and make a left on Jolly Road. Take Jolly Road to College Road and make a right. College Road will "T" into Forest Road. Turn right onto Forest Road and then left onto Farm Lane. Make a left onto Mount Hope and enter the Ag Expo parking area on the right.

**From the South:** Take US-127 north to the Jolly Road exit. Due to bridge closure, you will need to turn right on Dunckel Road and travel to Jolly Road (away from the show grounds). Make a left on Jolly and then another left on Collins Road. Follow Collins Road to Harrison Road and turn left onto Mount Hope Road.

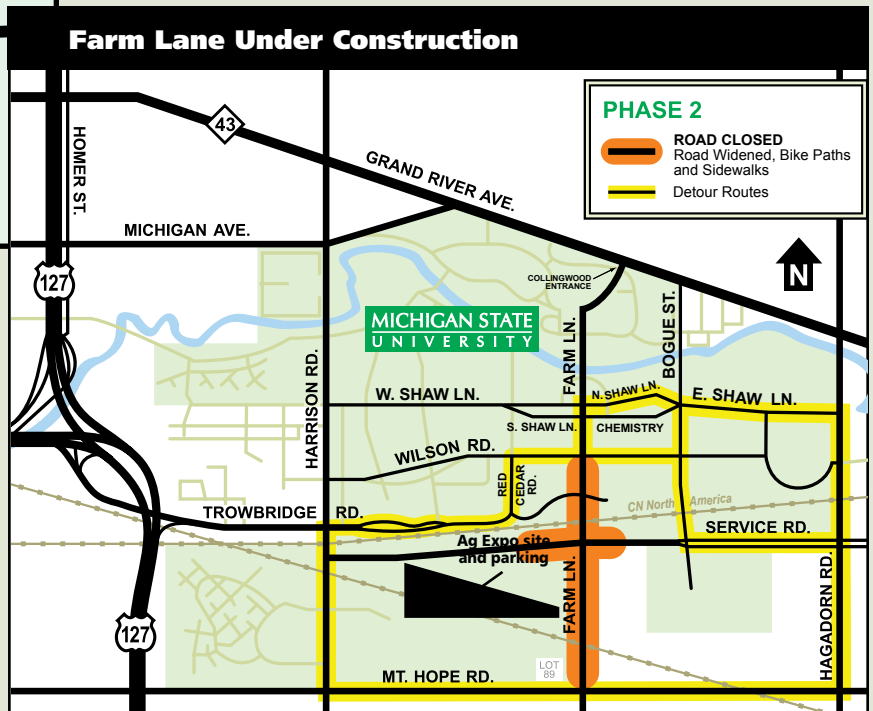

**From the West:** Take I-96 east to US-127 north. Exit at Trowbridge Road and turn right onto Harrison Road, then left onto Mount Hope Road.

## Farm Lane Detour Information

Farm Lane is currently closed to pedestrians and vehicles from Mt. Hope Road north to Wilson Road.

Also closed are the intersections of Farm Lane and Service Road, and Farm Lane and Trowbridge Road. Service Road is closed from the MSU Laundry parking lot (Lot 88), east to the Lewis Landscape Arboretum parking lot (Lot 101). Trowbridge Road is closed just west of Farm Lane, through the intersection.

The commuter lot (Lot 89), on the corner of Mt. Hope Road and Farm Lane, will remain open at all times during construction. However, pedestrians, vehicular and bus traffic will be prohibited on Farm Lane during construction.
